About the Cystic Fibrosis Foundation

Cystic fibrosis (CF) is a life-threatening genetic disease that primarily affects the lungs and digestive system. An estimated 30,000 children and adults in the United States (70,000 worldwide) have CF.

A nonprofit, donor-supported organization, the Cystic Fibrosis Foundation is the world’s leader in the search for a cure for CF. The Foundation funds lifesaving research and works to provide access to quality, specialized care and effective treatments for people with CF.

Nearly every CF drug available today was made possible because of Foundation support. Through its efforts, the life expectancy of a child with CF has doubled in the last 30 years, and research to find a cure is more promising than ever before.

The Cystic Fibrosis Foundation is one of the most efficient organizations of its kind and meets extensive standards of America’s most experienced charity evaluator, the Better Business Bureau.

Important Note on Attendance at Foundation Events:

To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection.

Medical evidence shows that germs may spread among people with CF through direct and indirect contact, as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation’s attendance policy recommends inviting only one person with CF to an indoor Foundation-sponsored event at a specific time.

How to attend the event:

1. You may purchase a ticket to Comedy Night for $100 on our website at: NJComedyNight.eventscff.org
2. You may send payment by mail along with this form to the Greater New Jersey Chapter (see other side).
3. You can also purchase and/or solicit acknowledgements for the 16th Annual Comedy Night event journal (see other side). Each $100 you solicit entitles you to a ticket to the Comedy Night AT NO COST.

The Cystic Fibrosis Foundation has unrestricted financial reserves of 13 times its budgeted annual expenses, following a one-time royalty sale in 2014. These funds, along with the public’s continuing support, are needed to help accelerate our efforts to pursue a lifelong cure for this fatal disease, developing lifesaving new therapies and help all people with CF live full, productive lives.
