

OUR MISSION

The Cystic Fibrosis Foundation's mission is to cure cystic fibrosis and to provide all people with the disease the opportunity to lead full, productive lives by funding research and drug development, promoting individualized treatment, and ensuring access to high-quality, specialized care.

ABOUT CYSTIC FIBROSIS

Cystic fibrosis is a rare, genetic, life-shortening disease that affects every organ in the body and makes breathing difficult. Some people with the disease say it's like breathing through a narrow straw. In people with CF, a defective gene causes a thick buildup of mucus in the lungs, pancreas and other organs. In the lungs, the mucus clogs the airways and traps bacteria, leading to life-threatening lung infections. Sixty years ago, most children did not live long enough to attend elementary school, but thanks to Foundation-based research and care, the median survival age of people with CF is now about 40.

Louisville, KY 40218

Important Note on Attendance at Foundation Events: To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection.

Medical evidence shows that germs may spread among people with CF through direct and indirect contact, as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation's attendance policy recommends inviting only one person with CF to an indoor Foundation-sponsored event at a specific time. For the outdoor portion, the Foundation recommends that all people with CF maintain a safe 6-foot distance from each other at all times.

The Cystic Fibrosis Foundation has unrestricted financial reserves of about 13 times its 2018 budgeted expenses, following a one-time royalty sale in 2014. These funds, along with the public's continuing support, are needed to help accelerate our efforts to pursue a cure for this fatal disease, fund development of new therapies, and help all people with CF live full, productive lives. 2018 Cure Cup Golf Classic

Monday, April 30th

Audubon Country Club

11:30 a.m. Registration/Lunch

1:00 p.m. Shot Gun Start

Start your Derby week off with an incredible day of unparalleled golf at Audubon Country Club, while helping the Cystic Fibrosis Foundation *add tomorrows every day* to the lives of those with cystic fibrosis.

The Cure Cup is a Scramble format, complete with lunch, snacks and drinks. Use this opportunity to network with colleagues, or reward your employees with a job well done! After an afternoon of golf, enjoy a cocktail party.

For more information, contact Steve Milburn at smilburn@cff.org or 502-963-0731
