# How it Works

Guests will purchase single tickets and bring two bottles of the same label wine. Each guest must bring two bottles of wine if they want the chance to compete in the tasting. One bottle goes out for tasting and one goes to the prize cellar! Guests must register their wine by 7:00 PM. Each guest will have the opportunity to vote once at each of the eight varietal stations. Once the wine tasting concludes, three winners will be selected to win a third of the cellar of wine. These winners will be announced at 10:30 PM.

**Important Note on Attendance at Foundation Events:** To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection.

Medical evidence shows that germs may spread among people with CF through direct and indirect contact, as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation's attendance policy recommends inviting only one person with CF to an indoor Foundation-sponsored event at a specific time.
